2019
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned on improvements.

CAPITAL IMPROVEMENT PROGRAM

A multi-year list of planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- _____ years. (Exceeding minimum time period)
- Check if municipality is under 10,000 has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The following set of schedules project the capital needs of the City for the next five years. The Capital Improvement Program does not appropriate funds; therefore, neither the Mayor nor Council are firmly committed to its implementation. This program is flexible and can be amended anytime, increasing or decreasing amounts, and adding or deleting items, depending on the most immediate priorities of the City. Whenever convenient the Mayor and Council will make further determination as to needs and methods of financing.
